City Hope, Bermondsey is looking for a joyful, faith-filled follower of Jesus to take the lead in our children’s ministry. Alongside being personally involved in discipling children aged 0–11, this person will also equip, guide, and encourage our team of volunteers who serve faithfully in this vital area of church life.

Our purpose at City Hope is to love and serve God, our local community, and the wider world. We are a diverse family of believers who, empowered by the Holy Spirit, want to proclaim the good news of Jesus and shape our lives around His teaching.

We are blessed with many children in our congregation, and they play a central role in our vision as a church. This position offers an exciting opportunity to strengthen and grow our children’s ministry.

The successful candidate will be someone who has personally experienced God’s transforming presence and is passionate about helping a new generation—both from within our church family and beyond—to encounter Jesus and grow in their faith.
