

Children & Youth Ministry Worker

Battle Baptist is a friendly, growing church here in Battle, East Sussex. Whether gathered or scattered, our vision is to be transformed together - an adventure we're all on - wherever we might find ourselves in life. From our premises on Mount Street in Battle we seek to engage with the surrounding community, building relationships in all sorts of ways, that we might model the life-changing love of God for all.

The role

We're excited to welcome a committed follower of Jesus into our family to work alongside our staff team and committed volunteers in our children and youth ministries. We currently connect with around 70-80 children and young people through activities and events we run as a church, and we are looking to expand this provision, believing that they should be an active part of our fellowship as we value and nurture them in life and faith. As our church grows, we want to continue providing meaningful engagement throughout the week, but we're also eager to reshape and refresh this provision – especially to build on and develop links within our local community for brand new opportunities.

What you'll be doing

- Mould and develop the church's work with 0-18 year olds both within the church family and beyond it.
- Lead and partner with our teams of volunteers to build upon the great work that has been done so far.
- Ensure that activities are organised in line with Battle Baptist Church's vision, with due regard for our policies and good practice, such as around safeguarding, health and safety, and data protection.
- Participate fully in the life of Battle Baptist Church and play an active role in the staff team.
