

FREE CHURCH of SCOTLAND

Accountant / Finance Officer

Established in 1843, the Free Church of Scotland is a registered charity with the vision for “A Healthy Gospel Church for Every Community in Scotland”. There are currently over 115 congregations and around 12,000 people in our churches on any given Sunday.

In addition to congregational activities, the Free Church of Scotland trains ministers and other people in the wider evangelical community through the degree-awarding Edinburgh Theological Seminary. The Free Church runs a programme of residential youth camps for over 350 young people each summer, and pursues global mission by supporting partners around the world. The denomination has an annual income of around £7 million and net assets of around £15 million.

We are looking for a capable Accountant to join our team of committed staff in the Central Office to help with specific projects and to support the regular financial work. The Accountant / Finance Officer will report to the Finance Manager but will have regular contact with the CEO and the Finance Group.

The post holder will have strong accounting skills, be experienced in financial reporting, be highly organised and self-motivated and will have a desire to manage Church finances well.

There is an Occupational Requirement under the Equality Act 2010 for the post holder to be a committed Christian who fully understands the nature of a local church. As such, the successful candidate will be a Christian with an active commitment in a local church congregation, who is supportive of the values, vision and ethos of the Free Church of Scotland.
